Class Student Performance

Address: 190 Chestatee Industrial Park Drive, Dahlonega, GA

Parking: No charge, Limited space in our lot. Please park on the street or in the DRB Parking lot.

Admission: No charge

What to expect:

Please arrive as close as possible to your performance time. We have scheduled the athletes to keep waiting times to a minimum (especially for our younger athletes)

When you arrive you will be greeted by a coach in the lobby. Your family/friends will follow the athlete through the gym. At each event your athlete will perform skills they have been working on in class. After the last event you will head to our award stand where we will present a trophy to your athlete. A photo backdrop will be set up so you can take pictures. You are free to go after the awards presentation.

Please do not enter the gym until your ENTIRE group of friends and family arrives. Your athlete will begin his/her performance as soon as you arrive.
