Our schedule is ongoing and we do not change class times or days. We reserve the right to cancel a class if enrollment falls below 4 students. We work hard to have consistent coaches through the year, but teachers may change when they become unavailable. Tuition runs the first of each month. Our tuition is based on 48 weeks of class per year and an average of 4 classes per month. We close for Spring Break (Lumpkin County), Summer Break (July 4th week), Thanksgiving week and Christmas week.
